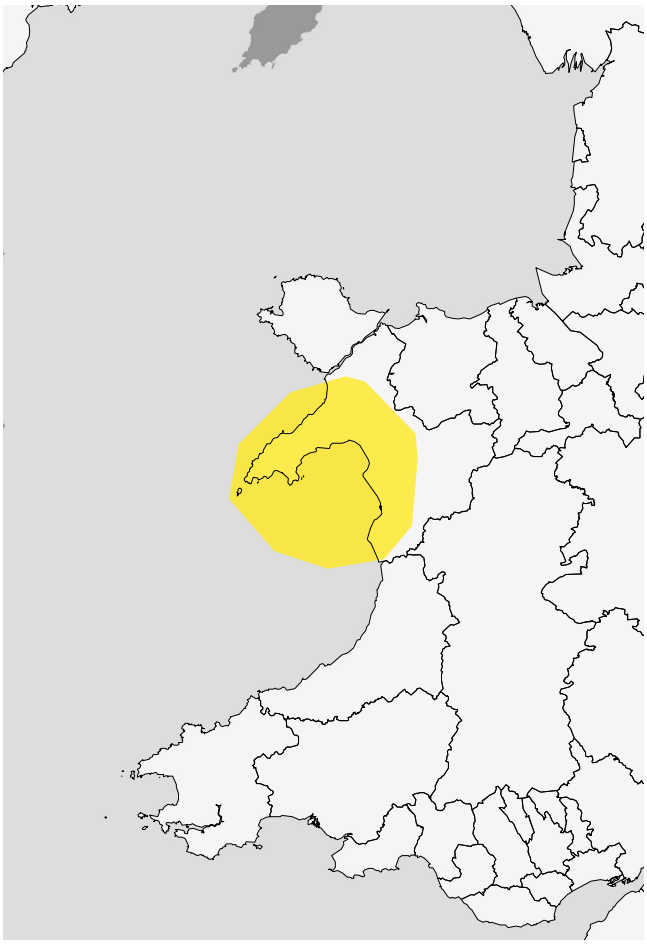
Yellow warning
Thunderstorm

Between
02:00 Thu 30 Jun 2022 and
09:00 Thu 30 Jun 2022



Slow moving heavy showers and possible thunderstorms likely to cause some disruption early on Thursday.

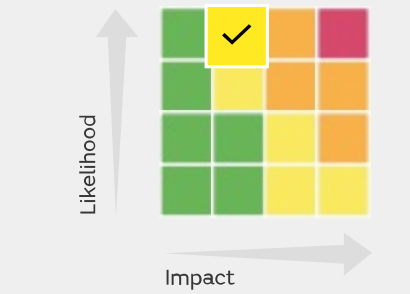
What to expect

- Some flooding of a few homes and businesses, leading to some damage to buildings or structures
- Some damage to a few buildings and structures from lightning strikes
- Driving conditions will be affected by spray and standing water leading to longer journey times by car and bus
- Some short term loss of power and other services
- Delays to train services

Further details

Slow moving heavy showers and possible thunderstorms will occur at first on Thursday over northwest Wales.

Where these occur there is the potential for 25-50 mm of rain in a few hours along with a risk of lightning.



✓ High likelihood of low impacts
